## Empowerment Program for MSMEs (MSM2EP)

## Virtual Training Workshop on

## **Export Pricing and Documentation**

#### February 15-16, 2022

Context	Within the framework of the implementation of the new strategy of the Islamic Centre
	for Development of Trade (ICDT) relating to the Trade Facilitation and Investment
	Promotion Program (2022-2025), the ICDT has developed training modules to build
	capacities of managers of Most Small and Medium-Sized Enterprises (MSMEs) of OIC
	Member States. The program dedicated to MSMEs is called (MSMEs Empowerment
	Program/MSM2EP) and consists of supporting these enterprises in the field of
	training, participation in fairs and exhibitions, buyer-seller meetings (B2B), involvement
	in the management of the value chain of products and services, sharing experiences
	and their profile.
Objectives	To access the international market, companies are required to charge competitive
	prices. The latter depends on the logistics costs generated, not only by the production
	of this product but also by transporting the goods to the destination.
	This training workshop aims to teach participants the methods of calculating prices and
	the documents to be provided during the export process.
Participant	The workshop is open to all company executives, in particular heads of export,
S	purchasing, sales, logistics, and finance departments.
Expected	• Knowledge acquired on the determination of prices and the documents required
results	for export
	Sharing experiences between participants in the field of export
