

Şüpheli websayfalarının genel özellikleri:

- Çok çeşitli ürünler sunması.
- Sıradan/niteliksiz logo tasarımı.
- Websitesinin linkte şirket türünü belirten AS veya APS kısaltmalarının olması.
- İrtibat kurulan e-posta adreslerinin çoğunlukla kurumsal olmaması.
- Site dilinin genellikle yalnızca İngilizce olması.
- Danimarka dışında başka ülkelere (özellikle Polonya) ait banka bilgileri verilmesi.
